## EDUCATION

B.E. Computer Science and Engineering, Sri Krishna College of Engineering and Technology, Coimbatore  
10/2023 – 05/2027  
CGPA: 7.2/10

## SKILLS

**Programming**  
Java, C++, JavaScript

**Web Technologies**  
React.js, Spring Boot, Tailwind CSS

**Tools & Platforms**  
Git, GitHub, VS Code, Figma, MySQL, RESTful APIs

**Development**  
Full- Stack Web Development

## CERTIFICATIONS & ACHIEVEMENTS

**Best Team Award**  
Sri Eshwar College Hackathon, 2024 Recognized for exceptional team coordination and innovative technical solution delivery under time constraints

**Infosys Springboard Certification - Java Programming**  
Infosys Limited, 2024 In-depth training on Java programming, object-oriented principles, and application development

## PROJECTS

**Digital Locker Application**

- Built secure digital document management system with Spring Security and JWT- based user authentication
- Designed responsive React frontend with Tailwind CSS and RESTful API integration; implemented MySQL database for document storage

**Disaster Relief Application**

- Developed emergency response app with weather tracking and offline safety signal functionality for disaster scenarios
- Integrated location tracking APIs and created React-based interactive dashboard for real-time impact visualization and resource coordination

**Portfolio**

- Web Developer experienced in crafting modern interfaces with attention to structure and usability.
- Passionate about clean architecture, maintainable code, and deliberate visual design.
